

GOOD NEWS TRAVELS FAST

Dear: Mayor Daley

My name is [redacted] and I'm 8 years old. I'm an

African American and I go to Henson School, my teachers

name is [redacted], and my principal's name is

Mr. Pales. I learned about giving Details and

adding es to words that end with (x, ch, sh, s).

My room number is [redacted] and I'm in 3rd grade.

The greatest thing in Chicago is it has beautiful

houses, a lot of schools, fun places to go, and have

fun! I always wanted to help someone from

Danger because everyone needs to live about

100 years. I want my idea to be important to

the city because everyone is getting killed from
people who...

• want to kill people

• maybe if they have jobs

• Just want to shoot people

I hope my idea change the future of Chicago

because I want people to STOP SHOOTING.
