Dear Mayor Daley,

My name is [redacted] I am 10 years old I am a African American boy. My teacher name is [redacted]. My Principal name is Mr. Pales. I am on the second floor to the left what I learned about Chicago is that you should always stay safe all time. Another thing I learned is that I want. The last and Final thing I learned is that I to build. My big idea is I want the guns to stop. How I want that to stop is to bring more Police out to arrest these Criminals. There are children that are getting killed by gun violence. I want the drug dealing

to stop. How I want to stop bring Detectives
and find the drug dealers. There are children
that is on drugs from the drug dealers tricking
them into candy, and Juice, and chips. Get these
Detectives out. I don't want these children
on drugs in CHICAGO ILLINOIS. I want
the Strangers to stop kidnapping kids. How I
want that stop is I want the Police to go
around every west side, southside, northside and East
Side of Chicag help me make this happen. I will
Pray to god and Jesus you do a good good Job.

Sincerely
