

Dear Mayor Daley,

Hi my name is Rock Star [redacted] I am  
an african american I go to Henson School I am in third  
grade I am nine years old I want to raise money,  
because in chicgo we have a lot of homeless people

in our city and want to build a homeless center

I see a lot of kids on the street walking  
around holding up signs up and begging for money  
so I want you to build a foster building

for kids who are on the streets

I want you help the school raise money we have more  
kids that need help.
