Dear Mayor Daley,

my name is [redacted] and my Big idea is
No more Poles in The Street. This will make
Chicago a Better Place Because People will not
die. In order for my Plan to happen
The city will need workers. When The
mayer makes this change, Chicago will be
different because nobody went die. The first
thing you have to do is to get some workers.
The second thing is you need tar. This is
a great idea Because nobody went die.
