

Dear Mayor Daley,

Mayor

Hi My name is

I am a third grade
Student at Herzl E. School.

I will make Chicago
better by getting people
new laptops or Computers.

The City will need to
raise money. This is a

good idea because it

could be easier to find
jobs. This is also a

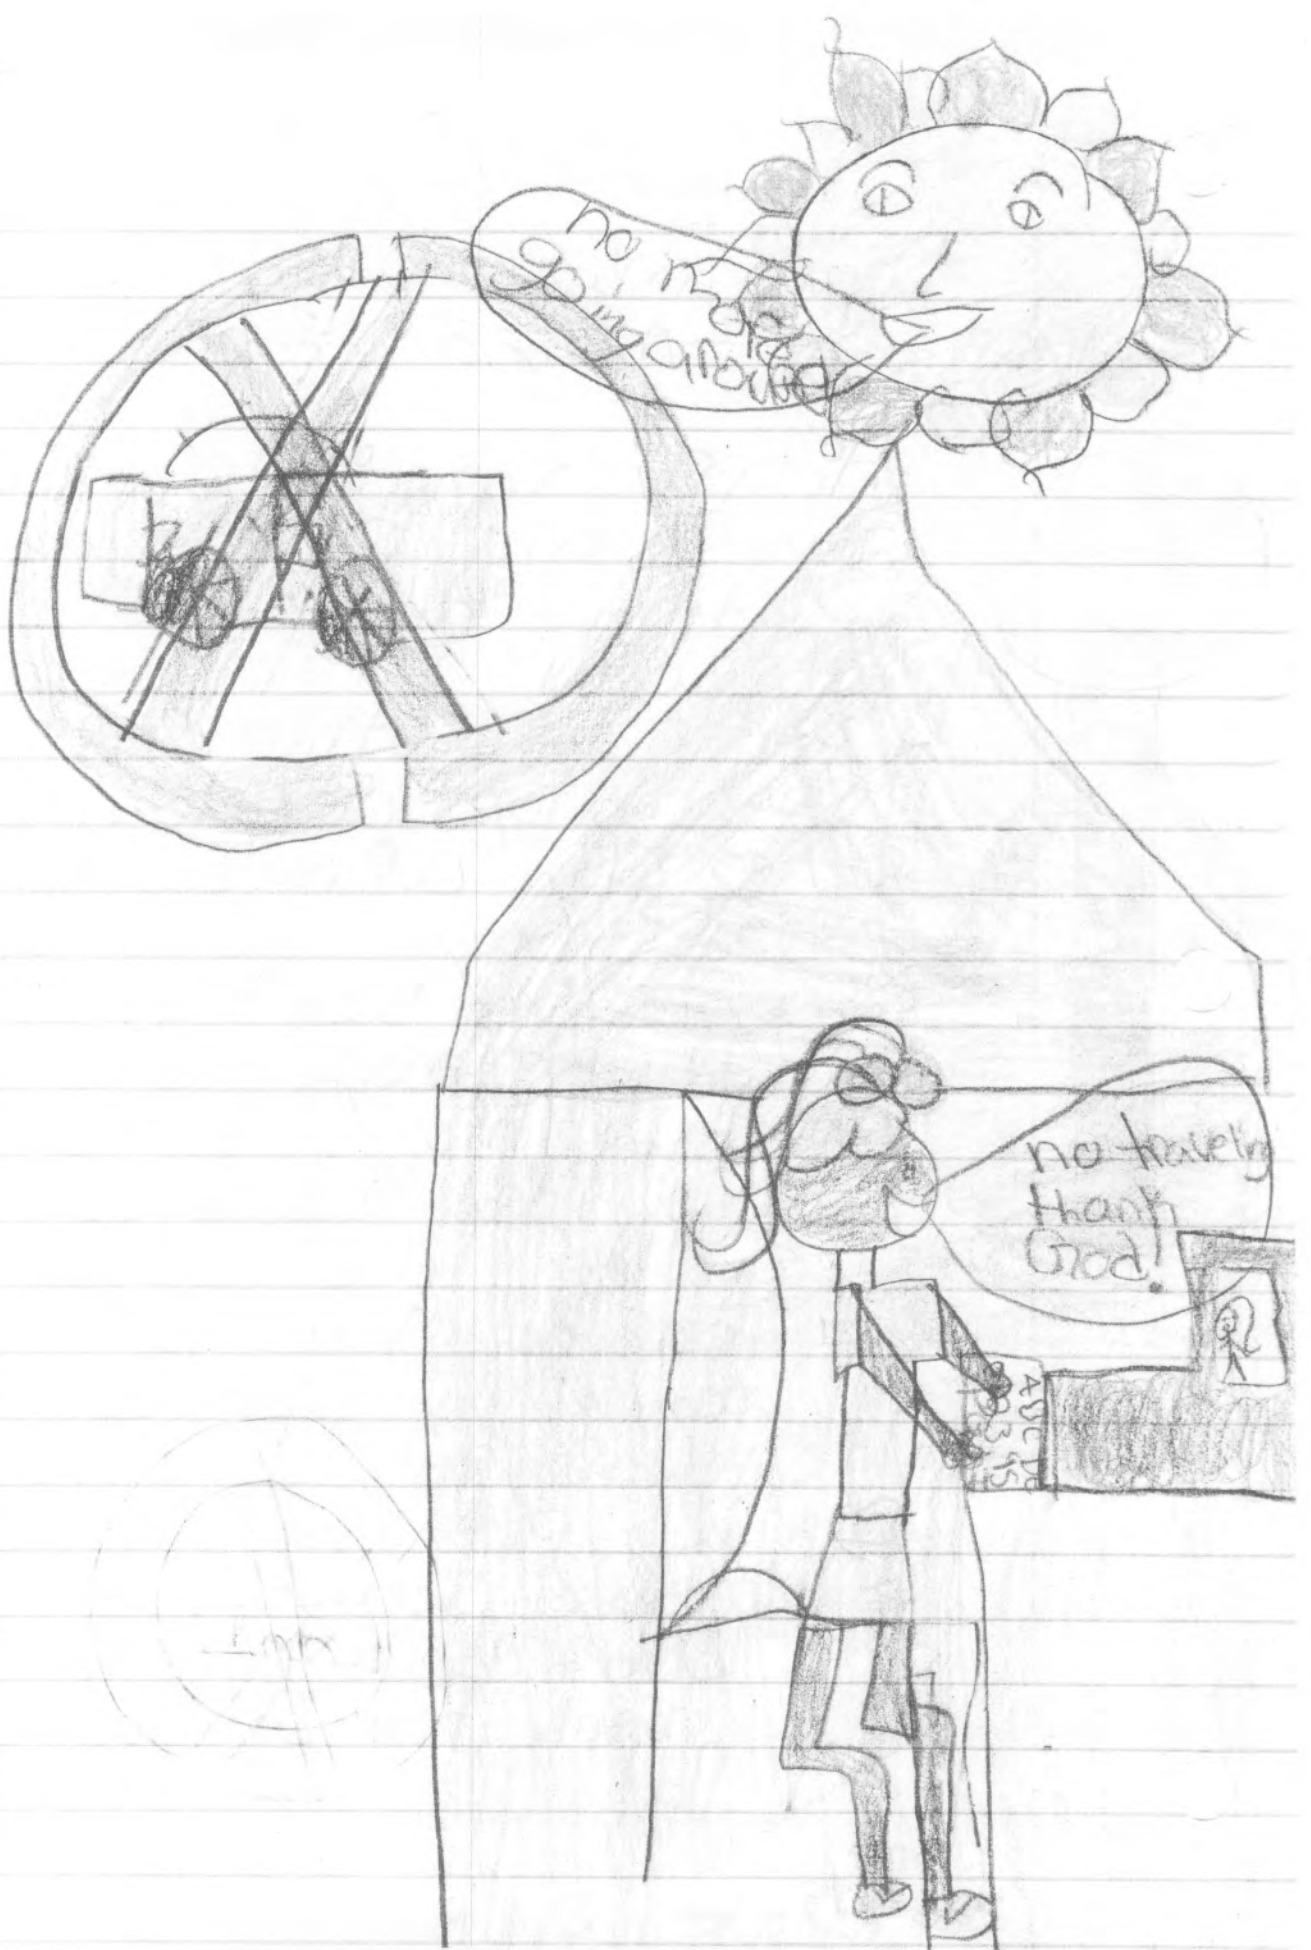

good idea because you
wouldn't have to travel

and go place far

because you can run
out of gas. I hope

you pick my idea
because some people

don't have cars to
travel. From:

no more going outside

no travel Thank God!
