Dear Mayor Daley,

my Big Idea is to Build
Parks everywhere on the
Street.

this will make Chicago
a Better Place Because
for Children, and People
to Play at the Park.

The thing the City will
Need to Make my Plan
happen is Money, People, Time.

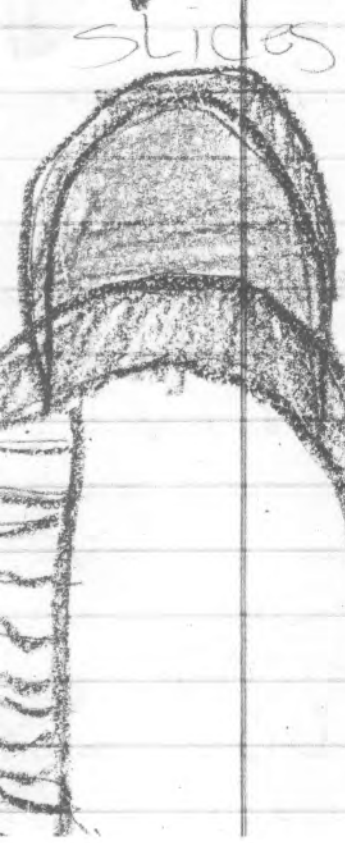

When the Mayor makes
this change, Chicago will
Be Different Because they
will make every Park on
each Street.

First I will have to
Get some Builder People
and then I need to
Get some Money and

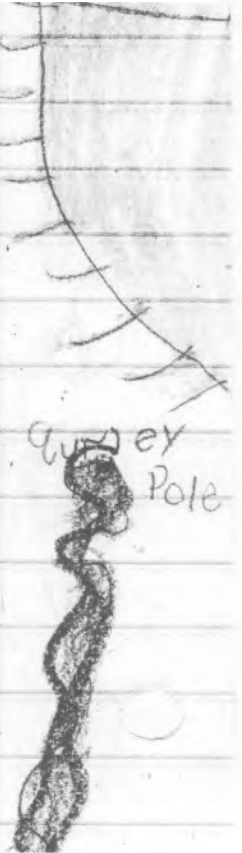

A Whole Lot OF Play
Gounds For Chicago, on
every Street. Next I
Need to have a Whole
Lot OF Money For People
to Build Play Gounds.

This is a Great idea to
help Chicago because I
might do this for Chicago
when I get Older.

Sincerely,
