Dear Mayor Daley,

This is my big idea to make Chicago a better place. All the swimming pools should be cleaned. They should be cleaned so that kids will not get hurt and get diseases.

To make my plan work the city needs to hire workers to clean all the pools in Chicago. It will not cost a lot of money to do this.

Chicago will be different during the summer, Mayor Daley because lots of kids will not get sick because of the dirty swimming pools in the communities. Kids and their families will be very happy and it won't cost lots of money.

I hope you like my big idea Mayor Daley.

Sincerely,

My Big Idea

Clean Swimming Pools
