Dear Mayor Daley,

My big idea is, how to get all the bad people off the street. This will make Chicago a better place because little kids can be able to come outside. In order for my plan to happen, the city will need policemen and a van to a shelter, when the mayor makes this change, Chicago will be different, because a lot of little kids can be outside without hearing gun shots. First you need to call 15 policemen hiding in alleys. Next you need to get 30 big vans. Then get 30 policemen sitting in each street. Last you need to tell them when they see a bad person and get them. This is a great idea because I can be able to walk without having to hear gun shots.
