

Dear Mayor Daley, my big idea is  
that I want to keep the people off  
the streets. This will to this will  
be a better place because  
I want to smell the good air.  
The city will be happy because  
we have to gether. I'm going  
to get all my friends together,  
in Fix Chicago.

☺☺☺☺☺☺☺☺ Sincerely  
[Redacted]
