Dear Mayor Daley,

The Big Idea is to give all kids Internets.

This will make Chicago A better place because the for teacher Sometimes says to get on the Internet like homework.

In order for my plan to happen the city will need more schools.

when the the mayor makes this change, Chicago kids could learn more about the world.

- 1 The Kids need to be good.
- 2 we will give out invitations.
- 3 It will cost 20 dollars.
- 4 Everything will be there.
- 4 ~~only~~ if they need it.

This is a great idea because every last kid needs one

Sincerely,
