

How do you apply ideas in a city plan?

I can apply ideas to make a plan. (CCSSR7)

Here are four important ideas Burnham had about urban planning. What do his ideas mean to Chicago today? How would a city planner think about the city if he used that idea? You're the planner. Make a plan.

Burnham's Idea	How You Would Apply It To Chicago Today
Make a big plan—plan for a major change.	
Plan for how people can live better—their health, education, and recreation.	
Make a comprehensive plan—a plan that includes all the major parts of a city.	
Learn from what progress people have made.
