

Integrate Information from Different Sources (ccssr7)

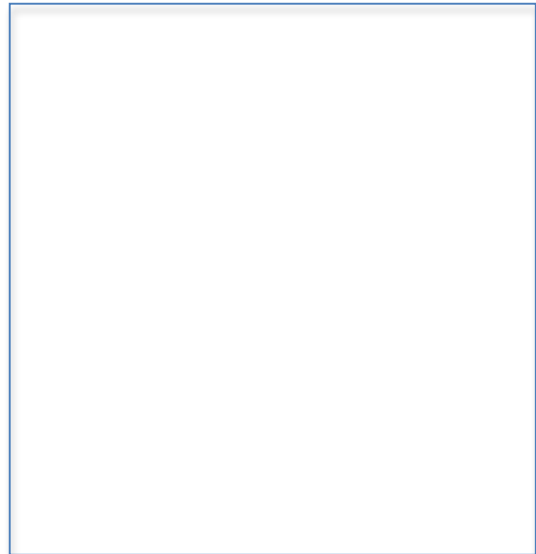

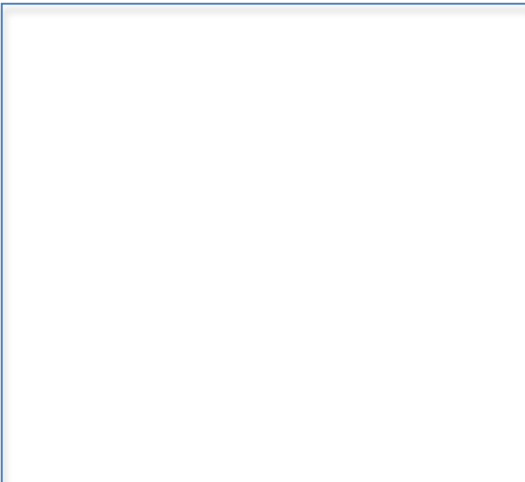

Use a map, nonfiction readings, and photographs to learn more about a place.

List important information from each source.

The Map shows that...

The photos show that...

The Readings explain that...

Reading 1 Important Information	Reading 2 Important Information

What are three important ideas you have learned from this information?

Put it together.

Explain what is important to understand about this place at that time.

You can write:

A letter from someone who lived there

A tour brochure

A picture book

Another way to use the information to make your ideas clear.
