

## Comprehend paragraphs to figure out the main idea of a section of a text.

CCSS Anchor Standard 2. Determine central ideas or themes of a text and analyze their development; summarize the key supporting details and ideas.

Place this page next to a text. Read the paragraphs in one section.

After you read each paragraph, list what the important idea is (main idea) of the paragraph.

If you need more rows, add them.

Heading of the section: \_\_\_\_\_

*What's the central idea of this **section**—the idea that these supporting ideas help you understand.*
