Just A Little While To Stay Here

CCSSR5: Analyze the structure of texts, including how specific sentences, paragraphs, and larger portions of the text (e.g., a section, chapter, scene, or stanza) relate to each other and the whole.

Soon this life will be all over And my sinful days will end Soon we'll take our heavenly journey Be at home again with friends Heaven's gates are standing open And waiting for our entrance there Some sweet days we all go winging Winging over all this Earth.	Just a little while to stay here Just a little while to wait Just a little while to labor On the path that's always straight Just a little more hard trouble In this low and sinful state Then we'll all go marching over Marching through the Pearly Gates.
