Dear Mayor Daley

Hello Mayor Daley. How are you?  
People should get free Comcast  
ever month. People should paying  
for cable and pay for seeds for  
a garden. We can put up  
bill boards to stop paying for  
cable. You can force Comcast  
to be free or go out of business  
Chicago be a better place for it  
because we will have gardens on  
ever single block. We will have  
more oxygen on Earth.

Thank-you!

Sincerely,
