Dear Mayor Daley,

Hi Mayor Daley! How are
you? I know your busy with
Chicago, but in my third grade
classroom we are learning about
the environment. We have been learning
how to make Chicago a better place. I
think you should get alot of people
to plant more trees. If we plant
more trees, we will have more and
more air. I hope you, as our mayor,
you can help plant more trees.
Thank you!

Sincerely,
