

DEAR
MAYOR DALEY

WE NEED TO USE LESS ENERGY
TO HELP PEOPLE TO HELP THE
ENVIRONMENT. YOU SHOULD TURN OFF
THE LIGHTS WHEN YOU LEAVE A
ROOM.

THERE IS A PLACE CALL SMART
HOME. IT SAVE ENERGY AND USES
RECYCLED PRODUCTS FOR EX AMPLE
THERE IS A TABLE MADE OF
RECYCLED IRON. ANOTHER IS THE
CLIP BOARD MADE OF RECYCLED
COMPUTER CHIPS.
THANK YOU FOR READING THE
LETTER.

PLEASE RETURN [REDACTED] SINCERELY
