

The Connected Classroom--Learn who your learners are.

Literacy Survey

1. What is your favorite kind of book to read?
2. What helps you understand what you read?
3. What do you like to write?
4. What is your favorite story?
5. What is your favorite TV show?
6. What do you want to learn more about—for example, animals, countries, famous people.

Put your answers in the boxes. Your teacher can organize this as a project—your class can make a bar graph if you cut the boxes and sort them with other students.
