

MAKE A BIG PLAN FOR CHICAGO PROGRESS

I can plan a way to make a change. (CCSSR7)

What's my big idea? How do I want to make Chicago a better place?

Make it a BIG plan. For example, swimming pools in every neighborhood, free Internet for everyone. Think BIG—what would be a very big change that would help many people live and work in Chicago?

Why is this a great idea?

List some reasons why this is a very good change.

What will the city need to do to make my plan happen?

For example, will it cost a lot of money, will it take a long time?

How will Chicago be different when the Mayor makes this change?

How will Chicago be a better place?

After you make your plan, write about it—write a letter to the Mayor.
