MAKE A BIG PLAN FOR CHICAGO PROGRESS
I can plan a way to make a change. (CCSSR7)

What’s my big idea? How do I want to make Chicago a better place?
Make it a BIG plan. For example, swimming pools in every neighborhood, free Internet for everyone. Think BIG—what would be a very big change that would help many people live and work in Chicago?

________________________________________________________________________

Why is this a great idea?
List some reasons why this is a very good change.

________________________________________________________________________

What will the city need to do to make my plan happen?
For example, will it cost a lot of money, will it take a long time?
