

Getting to the Education Center of the Art Institute

- Park in the garage at the Southwest corner of Wabash and Adams. Be sure to park in the multi-level garage on the Southwest corner—there are others but that is the one for which you will receive a parking voucher. Enter it on Wabash.
- You will enter the Art Institute through the Education entrance. To get there, walk to Michigan Avenue.
- Walk east on Monroe and pass the main Modern Wing entrance.
- Walk almost to the end of the block and turn right and go up a few stairs at the east side of the building.
- Continue along the east side of the building past the bike racks. Turn right and enter through the glass doors.
- When you enter, the guard will direct you to the meeting in the Education Center, Studio B.
