Dear: Mayor Daley

My name is \_\_\_\_\_ and  
I am writing to you because I  
want you to fix these big  
pot holes in the street. The roads  
are all messed up people can  
hardly drive without falling  
into those huge pot holes.  
My father even had to  
buy a new because one of  
those pot-holes tore the bottom  
of his car up badly. This  
is a growing problem can  
you please fix it - I think  
this is a problem that needs  
improve the City of Chicago.

Sincerely
