

Math Activity Inventory

How will our extended day program help students apply the math practice standards?

<i>Practice Standard</i>	<i>Kinds of Activities</i>
<i>Model with mathematics.</i>	<i>Real-world math—games with money.</i> <i>Design a _____ (bridge, birdhouse)</i>
<i>Make sense of problems and persevere in solving them.</i>	<i>Math “partners”.</i> <i>Math problem solving guides.</i>
<i>Attend to precision</i>	<i>Measurement tools.</i> <i>Use calculator to check your work.</i> <i>Construct a _____.</i>
