Dear Mayor Daley,

My Mom name is [redacted]
[redacted] and my partner's
name is [redacted]

We have millions of ideas
but there is one that we
like the most that will
help the city of Chicago
to become a better place. We should
have free books.

To begin with, we
should have free books so the kids
that don't have any books can
have their own home library.
We think this is a good
idea because some kids don't
have any books at home so
they can learn. I think
we should start telling
people to start writing.

Books like Molly Polk. We
can learn from books and
kids won't have any excuses for
not having books to learn
from.

Love always

P.S. I hope our idea
is okay so you can use it.
