Mayor Richard M. Daley  
City Hall  
21 N. LaSalle  
Chicago, IL 60602

Dear Mayor Daley,

We need more parks for little kids. We need more recycling trucks. We need more hospitals for kids to go and babies too. We can do this by working together getting money and helping out. We need places for homeless people to go to or someone like you can go out to see them every now and then we can make something out of nothing with help. We can also do this by caring. We need more jobs for people that are losing jobs. We need help. We need you.

Sincerely,
