Mayor Richard M Daley
City Hall
121 N. LaSalle
Chicago, IL 60602

Dear Mayor Daley,

My plan is to stop littering because the earth needs to be clean.

To make this plan happen, you can give out posters to a lot of people. I will give out posters about cleaning up for people to stop littering. Littering is bad for the earth. We need to fine people who litter from their jobs.

Chicago will be a much much better place, Chicago will be clean. My big idea is to build a littering center. This is a great plan because my plan can help the environment.

Sincerely,

Mollison School
