

Mayor Richard M Daley,
City Hall
121N, LaSalle
Chicago, IL 60602

Dear Mayor Dayley

Every neighborhood needs a gymnasium.
The gymnasium gives kids and adults a place to have fun.
The kids will have something to do after school and
on weekends.

You can ask the basketball, football, and
baseball players to donate equipment. All the
athletes can practice and the kids can play.

Sincerely,

Mollison School
