

MAY 15 2009

Dear Mayor Daley

My name is

I am in 3rd grade in room

I have learned that  
when the Chicago fire it  
burns a lot of houses and  
my idea of Chicago is to  
put more parks for kids to  
play my idea is important  
because kids would be bored  
and because kids don't like  
to stay in home your friend
