Dear, Mayor Daley

My name is
I am in 3rd grade at Monroe
School.

We want the Olympics
to come to Chicago. Important
events change Chicago. The burn ham
plan for the people.

My big idea is to have
more houses because the people that
are in the street don't have house
and I care about them because
when it rains they get wet and I
don't like when they get wet.

Best wishes

To the Best Mayor
