

May 15 09

Dear : Mayor Daley

My name is
I am
in 3rd grade.

I have learned
that there was a fire
in Chicago, maybe the
olympics are coming
here, The burnham made
Chicago better for the
people.

My Idea is to
clean the streets, recycle,
stop drawing garbage.

My Idea is important
to Chicago because
it could change the
world of making the
air dirty.

Sincerely,
