

Dear: Mayor Daley, May 14, 2009

My name is

I am in 3rd grade at Monroe School.

We want the Olympics to come here.

Important events changed Chicago. The Burnham Plan made Chicago better for the people.

My idea is less crime, clean streets, more garbage cans, more police and more jobs.

My idea is important because the city is dirty there a lot of bad people.

There will be no crime, no garbage, clean streets, more police and more jobs.

The city will be clean, no crime and more work.

Sincerely,
