Dear Mr. Mayos

My name is _____ I
am in 3rd grade at Monroe School

We want the Olympics to come too
Chicago. Important events change Chicago.

We learned of the Burnham Plan
made Chicago a better place for the people

My idea is to make more jobs
like Offices, Maintenance, Construction
(Make houses roads), teachers and more
jobs.

So the Olympic players could come
and we could have money and jobs.

This idea could help the future
of Chicago.

Sincerely
