Dear Mr. Mayor,

Hi My name is _____ and I
am going to tell you what should
happen in Chicago.

We really should take some gas
stations away and put homeless shelters
This will change the Chicago alot
because instead of having to
give them money they will have
food and a place to live.

I think this plan will cost
about 10,000,000. Also I think
this plan would take two years.
Another reason Chicago will be a
better place, is because alot of
homeless people litter so there
would be not that much garbage
if they were gone. I really want to
make Chicago a better place so there
won't be that many homeless people.
please pick me if you do this will be a better
world!
