Dear Mayor,

Hi my name is \_\_\_\_\_ I go to  
Murray Language Academy. I am 9 years  
old in 3rd grade. My teacher is  
Mrs. Nadel. My problem is there are  
to many people losing their home.  
And my plan is to ask construction  
workers to build millions of  
shelters for homeless. I will get  
the money for the bank. It  
might take 18 or 25 years to build  
shelters. And I will buy Food,  
water, and a place to stay.  
Now Chicago will be better.

From, \_\_\_\_\_
