

Dear Mayor Daley,  
My plan is to stop people from  
being killed. How this is going to  
work is we can visit homes twice  
a week to make sure your not  
to young to have a gun. If your  
29 and younger take the gun  
away and fine them 20\$. How  
we can make sure their 30 or up  
is we can check their birth  
certificate and make sure their  
30 or up. Will there be people in  
2010. You can help save us. We're  
all a big family. You can make  
this a better world.
