

Dear mayor

P Chicago is nice but I needs  
a change like a cage that's  
bigger so it can have room  
to fly.

P And make a, and water  
proof recycling bin  
and it grabs junk  
under water.

P So the water can be  
clean in the future.

P And you can plant  
more trees in everment  
so more animals  
can live.

Sincerely
