pope school

Dear Mayor Daley

I think in Chicago we should have funday
everday in Chicago.

First Chicago should have funday everyday in Chicago and
then all of the kids will be
happy

Second every stuff you buy and Chicago store you
will not have to pay for game or doll or nothing

Next the stuff that i just writing i hope it can
really be true.

Conclusion i hope it can really come true
and really life i hope you like my
Letters

Sincerely,
