

May 13, 2009

Dear Mr. Mayor

We should follow Buzonham Centennial. This man always wants our city to be the best. Now I want you to have recess to order in all the school recess. In school we work hard and get tired. So we need recess in all the schools. If we have recess, we could have fun. We could play all the games. So that's why I think schools need recess to have fun.

Sincerely,

Student of  
Reilly School
