Dear Mr. Mayor,

We should follow Burnham Plan Centennial. This man always wants our city to be the best. Now I'm asking you to help our community. Many people in Chicago don't like the meter. All the people over the city. The people put one quarter it gives only 15 minutes. You need to take those meters out. Many poor families can't go any place. Because, the meters are all over the city, and they don't have to pay for it. Please pull those meters out.

Sincerely
