3337 N. Harding  
Chicago, IL, 60618

Dear Mr. Mayor,

We should follow Berkham  
Plan Centennial. I was  
wondering if you could  
not put meters all over  
the city. Now many people  
can not go downtown  
because is not a place  
that people can afford. The  
meters are to expensive.  
I hope you take this  
issue in consideration,

Sincerely,
