Dear Mr. Mayor,  
We should follow Burnham Plan Centennial. This man always wants our city to be the best. Now I'm asking you to help our Community. I don't like when my Dad and I go to the store and we have to put 8 quarters in the meter for 2 hours. Most people don't have all quarters to pay that much. In down town one quarter is 7 minutes. People have to run to the store because 7 minutes pass quickly

Sincerely
