Dear Mayor,

I'm Tina, a 3rd grade student from Reilly School. I would like to tell you my plan to make Chicago better. I think that in school they should have gym or a physical activity everyday. This is a great idea because it can help children control and lose weight. Kids will also stay healthy. In order for the city to do this, they would have to do this: Talk to the Chicago public school officials, Make a law about school gym everyday, and Get more PE teachers. My idea will help other kids stay healthy and not get fat. And in the winter when you can't go outside, You can go into the school gym and still stay healthy.

Sincerely,
