

May 12, 2009

Dear Mayor Daley,

My name is [redacted]

I go to Seward School.

So I think you should change some things. Like make a law that says "no littering." Another thing you should do is that make another law that says "you **have** to recycle."

First, you should make a law that says "no littering" because when I take a ride the grass looks ugly. And I feel sad that the planet ~~let's~~ us live on it but we just make it dirty.

So you could change that

One more thing you should make a another law that say "you **have** to recycle." You should do this because animals are loosing ~~their~~ homes. And recycling will keep you busy

May 15, 2004

and that means less
electricity. Take care.

Sincerely,

So you could change that
we just make it dirt
let's us live on it but
feel soil that the planet
the grass looks ugly. And I
because when I take a ride
a law that says "no lifting"
first you should make

One more thing you should
make a another law that
say "you have to recycle."
you should do this because animals
are losing their homes. And
recycling will keep you busy
