

Dear Mayor Daley,

May 12, 2009

Hi my name is [redacted]
and I was going to tell you
in the store the food costs
a lot of money and you
have to lower the prices
down. So we can't waste a
lot of money. We need the
money for the lights, gas,
cell phones, bills and many things.
Can you tell the farmers we
need more food to eat?

Sincerely,
[redacted]
