Dear Mayor Daley,

Here is some ways you can make the city a better place to live. You can close the gun stores! And that police could get them. And arrest the gangsters.

First, close down the gun stores. Because if you don't and robbers get guns they can hurt people. And if other bad people get guns they can hurt people as well.

Last, arrest gangsters! Because my friend Vinha at her house gangsters try to scare them. And one gangster tried to kill my neighbor Sulena.

So Mayor Daley you should close gun stores and arrest gangsters
Sincerely
