How did I want to make  
Chicago a better place?

My idea to make Chicago  
a better place is to clean  
the streets. Have you ever  
seen gangs in the park, put  
cameras in the schools,  
cameras in the park. Put  
small cameras make a  
safe park. Clean the buses.  
Fix the swimming pools in  
Davis Square Park. There need  
to be more police,  
because there are many  
gangs activities. They are  
robbing and killing people.
