How I want to make Chicago a better Place?

My Idea to make Chicago a better Place is to Clean the streets. All the streets are with mud in it's dirty to Play outside Chicago to be a better Place we have to Stop the gang activities, in the busses don't have to be dirty, in the busses have to be Clean them because are dirty.

They have to Close the taverns of beers. The men have to Put it a limit for the beer because the beer cause lots of accidents with the cars. In my neighborhood are breaking windows of the cars, The Polices have to Put cameras so the gang members don't brake the winddows of the cars.

In the Park has to be a Safe Park, we have to change the laws. Don't Sale more guns, but Chicago need more Polices make sure Safe schools there are many reasons why it's happening.
