Dear Mayor Daley,

I can't wait till you read my letter but first I need you to help us. First, no kids under 18 should play outside at night 1) because gangbangers might shot a kid, 2) because there are gangbangers, 3) because at night there a lot of gang fights. And these are my reasons there should not be kids under 18 at night outside. You can make it happen by giving a speech about it. And this is what you could change. And like I said I can't wait till you read this letter.

Sincerely,

P.S I can't wait till you read my letter.
