How I want to make
Chicago a better place

My idea to make Chicago
a better place is that
the park should have
cameras so the
kids can't rob the
park. They should also
make the water cleaner for drinking.

The people who work in the
park need to
keep looking at the kids so
the gangs won't do
anything.

Gangs should be kicked
out of the park. There
should also be a
space for walking dogs
only.

And the people should
fix Davis Square park.
Like put a slide.
