How do I want
to make Chicago a better
place.

My Idea to
make Chicago a better
place is to change
gang members to be good people;
new gun law, and require
gang members to school.

Gang members always shoot
at some one and it's dangerous
for kids to go out.
Some kids have been stolen
or killed by gang members.

Gang members don't have a
job. They need to study and
be good in a job
instead of smoking, killing
and selling. Why do they
steal from stores? It's because
they don't have money without
a job.

So, as you see these
are new thing to make
Chicago a better place.

My idea to
make Chicago a better
place is to change
and members to be
new and low and
good members to school.

Good members always stay
at some one and its dangerous
for kids to go out.
Some kids have been stolen
or killed by good members.

Good members don't have a
job. They need to study and
be good in a job.
